# Entry doors

A new front door will turn heads, improve your exterior and make your home stand out. Choose from our Shaker, Design, Prestige, Classic, or even the Altitude collection, a range of 8-foot doors.

# Novatech High Performance

Energy efficiency also goes through the front door

The entry door plays a key role in the comfort and energy performance of your home. That's why we designed the Novatech High-Performance steel door to provide superior insulation and long-lasting efficiency, season after season. Designed and manufactured in our Canadian facilities according to the highest quality standards, the NHP door reflects our commitment to innovation, reliability, and long-lasting performance.

Look for this badge:

- Optimal comfort
- Increased energy efficiency
- Exceptional durability
- Enhanced security
- Unrivaled soundproofing

This product meets the standards of the ENERGY STAR® program in all configurations

# Vertical accent

## Reeded wood finish

This reeded wood finish accent brings warmth and texture to any facade. Made from durable laminated panels, its slatted-wood-inspired design introduces a distinctly biophilic presence. With its timeless appeal, it installs easily onto a Uno steel door and lends the entrance a natural touch that gives it a memorable, organic character.

# Vertical accent

## Aluminium

A distinctive decorative element, the Vertical accent enhances the door's design by emphasizing the vertical doorglass. Available in alunox or black finish, it installs on the exterior surface of the door, directly onto the contemporary hybrid aluminum/vinyl frame, creating a refined and cohesive appearance. Its automotive-grade adhesive tape ensures a simple, precise, and durable installation.

Each accent pairs with contemporary hybrid (aluminum/vinyl) doorglass frames offered in matching finishes, creating a cohesive and refined look.

A wider selection of models is available with the contemporary black-aluminum/vinyl frame.

# Linear accents

The linear accents add distinctive character to the doors in the Design collection. Made of alunox, a material that replicates the look of brushed stainless steel while offering the benefits of aluminum: no corrosion, no oxidation, and no fingerprint marks, they feature an elegant design with a beveled edge. Installed using automotive-grade adhesive tape, they ensure long-lasting performance.

# Uncompromising black elegance

A symbol of refinement and modernity, black is an essential trend in architectural design. Its ability to create striking contrasts highlights the richness of materials and enhances the character of each facade.

From doors to windows to accessories, our selection is designed to offer perfect visual harmony. Appreciated for its versatility and chic simplicity, black allows you to create entrances with a bold style that reflects the unique personality of each space.

You will find these products in the respective sections for each of the models presented in this brochure.

 ■ Gentek, Storm 570

Extruded vinyl sidelite frame with wood reinforcement to simplify installation. Interior glazing bead. Multiple window models available.

**Direct set**  
 Frame: 13 $\frac{3}{8}$ " x 79"  
 Glass: 10 $\frac{1}{8}$ " x 76 $\frac{1}{8}$ "\*

**Direct set XL**  
 Frame: 28 $\frac{3}{8}$ " x 79"  
 Glass: 25 $\frac{1}{8}$ " x 76 $\frac{1}{8}$ "\*

**A modern makeover!**  
 Designed to replace an entrance configuration with one door and two 13 7/8" width sidelites.

## Extra large sidelites

Placed beside the door, the sidelite allows you to control the light and tailor the ambiance of the entryway depending on the chosen glass. It creates a cohesive ensemble where natural lighting shifts in harmony with the door's style and features.

# Bolero

## Stained glass — Contemporary

The Bolero stained glass is a dance of retro and modern glass textures, creating a dynamic and asymmetrical look. With its bold composition that won't go unnoticed, this model sets the tone for your mid-century modern or contemporary home. It pairs beautifully with Scandinavian-inspired furniture and accessories.

## Silkscreen — Classic

A tribute to classic tiling, without patinated coming. Balance is a doorglass featuring a sandblasted finish where elegant clear lines intersect to recreate a tiled pattern. This model pairs beautifully with modern farmhouse homes and can also refresh the facade of a rustic Canadian-style house.

# Portrait

## Stained glass — Classic

Portrait blends four types of textured glass to create a composition with warm, pastoral charm. The central sandblasted panel ensures high privacy, while the surrounding Chinchilla and beveled diamond glass pieces introduce soft ripples and subtle highlights. Structured and symmetrical, it naturally complements country homes and traditional architecture.

■ Gentek, Storm 570

# Rubik

## Stained glass — Classic

Rubik is made of segments of varying lengths and widths that converge at the center to produce a slightly asymmetrical graphic effect. The mixture of glass textures forms a cohesive mosaic, adding a geometric visual dimension to the entrance. Both diaphanous and private, it pairs easily with doors of various sizes.

# Verso

## V-Groove — Classic

The Verso model stands out with its beautifully cut glass, offering exceptional elegance. Its crossed-line pattern, both understated and refined, enhances the clean look of your entryway. Ideal for a contemporary-style home, the Verso glass pairs perfectly with a dark front door to create a striking contrast.

# Winchester

† Orleans steel door p. 17 | Winchester 22" x 48" doorglass p. 101 | Satin finish glass transoms  
■ Benjamin Moore, Hale Navy HC-154

# Winchester

## Stained glass — Classic

The Winchester doorglass combines a satin-finish center with a clear-glass frame highlighted by black patina muntins. Its border of beveled pieces adds a soft sparkle while maintaining privacy. With its linear pattern and understated presence, it fits especially well with urban and contemporary homes.

# Attraction

## Stained glass — Classic

Attraction is defined by its combination of beveled diamond glass and Pinhead glass, producing a vibrant pattern. Despite some clearer areas, its rich textures maintain an appreciable level of privacy. The diamond-cut pieces add subtle depth that complements Gothic-inspired or more traditional Tudor aesthetics with precision.

# Evangeline II

↑ Orleans steel door p.17 | Evangeline II 22" x 48" doorglass p.109

■ Gentek, Chestnut Brown 554

# Evangeline II

## Stained glass — Classic

Inspired by early-century decorative arts, the components of Evangeline II will appeal to true stained-glass enthusiasts. Its central, cottage-inspired ellipse lends a picturesque charm that naturally suits classic architectural frameworks. Paired with a Uno or Orleans door, it brings a grandiose presence to the entrance.

# Grilles

↑ 95" Soho steel doors p.15 | Grilles 22" × 64", 2 × 3 custom split p.117.

■ Gentek, Black 525

# Grilles

Grilles are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, consider configurations with fewer dividers, such as our Classic or Country-style grilles. Best of all, our grilles are installed between the glass, making them maintenance-free and eliminating the need for cleaning.

## Grille types

**CAAL**  
22<sup>1</sup>/<sub>32</sub>" Georgian grille

**CAFA**  
1/2" Rectangular grille

**CARA ET CAGY**  
1/16" rectangular grilles in white (CARA) or gray (CAGY)

## Options

- Outside black/inside white color available
- Other colors and configurations available on demand

## Country style grille

## Classic grille

## Distinction grille

## Contemporary grille

## 3-Square split top grille

## Signature grille

## Perimeter grille

**Custom configurations**  
Create a custom configuration with your choice of split, color, and grille profile, in the size that fits your project.

# Coordinating your entry door with your garage door

The front door and the garage door both play a key role in the overall appearance of a home's facade. Coordinating them creates visual harmony and enhances the home's curb appeal. Thanks to the collaboration between Garaga and Novatech, it's now easy to choose models that pair perfectly for a cohesive, polished result.
